WHAT IS DANIMEX TO YOU?

Benefit from a complete package of unrivalled resources as a Danimex Communication partner

With over 30 years of experience within the communication industry, Danimex is determined to be your preferred partner and supplier of communication equipment and solutions regardless of the challenges you may have.

We will support you through the complete selling process whether it is sales leads, solution design, support with presenting the solution to your customers, set up and installing a system or provide the essential after sales or technical support. Danimex is ready to partner up in a joint effort to service both you and your partners.

Stock & Supply Chain

Danimex has extensive stock that enables fast and reliable deliveries worldwide. Our aim is to make sure that your goods reach the final destination fast, on time and in full.

Danimex has proven track record of immediate response in emergency situations and can solve shipping by land, sea or air.

Our warehouse team is specialized in handling sensitive equipment and following customer specified standards for special deliveries. Whenever you require special handling or packing of goods to specific destinations, do not hesitate to contact us.
