HUMANITARIAN IT SERVICE (HITS)

FLEXIBLE SERVICE TAILORED TO YOUR INDIVIDUAL REQUIREMENTS

Danimex Communication offers a unique level of customer service and technical support on-site or remotely (e-mail or phone). We have skilled experts on hand and the tools and processes to customise a range of solutions at a high level so you can get the best performance out of your investment.

We offer a broad range of service from education and training through site surveys to total project management that we tailor to each customer.

Project Services:

- **Assessment and design** for better coverage and performance of your setup
 - RF coverage and data-link performance study
 - System integration planning
- **FAT and SAT testing** (Factory/Site- Acceptance Test)
- **Project management** that is backed by the Danimex technical project division.
- Our subsidiaries and more than 100 local resellers and service partners can also handle projects and follow it from start to finish.
- **Radio System solutions** with in-depth expertise within:
 - TETRA
 - DMR Digital
 - HF
 - Analog
 - Select5
 - MPT1327
 - Power backup solutions
 - WiFi
- **Danimex Support**
- **Danimex Academy**
