FTP SITE

The Danimex FTP site is a resource for both dealers and customers.

Logins are issued upon request. As a customer, please refer to the equipment purchased.

You may login via a FTP client or via your browser. Details will be given along with your user and password when your login is issued.

The contents consist of manuals and firmware updates for equipment sold by Danimex.

There is no expiry date. Even material for discontinued products may be found.

At the FTP site you will find information about how to apply for a login, as well as the login to a chat window for technical support.
