Goal Zero – Power banks
Sherpa 100 AC and PD GEN4

SHERPA 100AC GEN4

Sleek and powerful, the Sherpa 100AC is your go-to source for versatile power while on the move. Airline approved and travel ready, the 94.72Wh power bank is equipped with innovative features like wireless charging, high-speed Power Delivery, and a variety of ports to power phones, tablets, DSLR cameras, and laptops—including power-hungry MacBooks.

Integrated 100W AC
Take the outlet with you, on the plane or in the wild, for serious power anywhere you need it. Perfect for keeping cameras and laptops charged.

Qi Wireless Charging + 2.4A USB
No matter the phone, there's a wicked fast, convenient charging solution designed for you. Charge your iPhone and use your headphones at the same time on long flights using Qi wireless charging.

Interactive OLED Display
Check power in and power out, get detailed port information, and even set roles for ports.

Whats in the box
Apart from the Sherpa 100AC, a 1m USB-C cable is included.

SHERPA 100PD GEN4

The new and airline-approved Sherpa 100PD features 60% faster USB-C charging with 60W in and 100W out, and best-in-class 15W wireless charging. Charge your phones, tablets, and laptops with 95 watt-hours of power while working remotely, and rest easy knowing your Sherpa 100PD is built to last through your travels.

Integrated 100W
Power goes in at 60W and out at 100W via USB-C for 60% faster device charging than previous models, making it easy to keep your essentials charged.

Wireless Charging
Best-in-class* up to 15W wireless charging that's 3x faster for keeping your phone charged up while working on the go.

*50-100Wh power banks with wireless charging capabilities.

Color Display
Color LCD display keeps it simple. It's easy to operate and makes viewing critical power stats uncomplicated.

Whats in the box
Apart from the Sherpa 100PD, a 1m USB-C cable is included.
