GOAL ZERO – VENTURE JUMP
800 AMP JUMP STARTER

THE VENTURE JUMP

Never get stuck with a dead car battery again. Designed to revive your battery in an emergency, the new Venture Jump features an 800 amp jump starter to safely bring your vehicle back to life and get you on your way. The Venture Jump also doubles as a power bank to charge phones and USB devices in a pinch. An essential for any commuter, traveler, or off-road adventurer. Compatible with most vehicles up to 6.0L gasoline or 3.0L diesel.

Experience ultimate self-sufficiency
No more need for roadside assistance. Smart jumper cables make it safe and easy for you to jump start your vehicle battery on your own.

All-in-one emergency essential
Integrated LED light illuminates the scene while the 10,000 mAh power bank lets you charge phones and other USB devices on-the-go.

Built to withstand the elements
IP67 rating ensures protection against dust, sand and debris, and can withstand submersion up to 1 meter of water for at least 30 minutes.

Compact and convenient
Includes protective carrying case with pockets for convenient, tangle-free cable storage.
