

DS-8W External Version Docking Station

ADVANTAGE FEATURE

- » Desktop or wall mounting
- » All in one solution, plug and play
- » Docking station with external function (Max. 32 ports.)
- » All the software is pre-installed with license
- » Easy to operate, delete all files from camera after downloaded, and charging the camera simultaneously
- » Support remote access through Internet or Ethernet, with granted account and password
- » Intelligent data statistics and chart display
- » 14inch touchscreen with NFC and fingerprint

Specifications

ITEM	SPECIFICATIONS
Appearance	Adopt modular design structure, sheet metal technology, 1.2 cold-rolled plate, pickling anti-static spraying
Installation Method	Wall-mounted and table-mounted installations are available, equipped with mounting brackets
Size	Main 517*130*620mm, Vice 247*130*610mm
Display Screen	14 inches, LCD screen
Touch Screen	14 inches, capacitive multi-touch
Resolution	1920*1080
Brightness	250cd/m2
Bays	32 bays Max
Interface Specification	High-strength retractable spring wire, support mini, TP/c, micro
Interface Voltage/Current	Single charging current 1.5A, full load current 1.0A, voltage 5V
Motherboard	Industrial Integrated Motherboard
Processor	Inter Core I3 237 Dual Core 2.4Hz
RAM	DDR3 8G
System Disk	SSD 60G/64G
Storage Disk	Western Digital HHD Surveillance Level 4TB/8TB/ Customized
Hard Disk Bit	2 bays, support hot-swappable hard disk, maximum support 32T
Power Supply	DC 12V16.5A 200W
Trumpet	8Ω 5W
Extension Ports	USB2.0*2
Face Recognition	2 million pixels binocular, 1080, with face recognition algorithm
Fingerprint Recognition	Photoelectric type, support 1000 capacity
Door Status Monitoring	Support for door close/open monitoring
Call The Police	Support
Wi-Fi	Support
Status Light	5V red and green bi-color LED lights
Operating System	Windows 7/Windows 10
System Software	Terminal software and server data management software
