

GOAL ZERO - LIGHTHOUSE LANTERN

LIGHTHOUSE CORE LANTERN & USB POWER HUB

Lighthouse Core Lantern & USB Power Hub

A good lantern shouldn't be complicated. The Lighthouse Core rechargeable USB lantern features 430 lumens, brightness dial, long-lasting battery and USB output.

You can also recharge the Lighthouse Core from the sun by connecting a compatible solar panel in about 5-10 hours.

Charging

USB Rechargeable lantern featuring 430 Lumens. Features a 1A USB output and enough battery to recharge phones and other small USB devices.

Adjustable brightness

Up to 350 hours of run time on an ultra-low setting or up to 4 hours on a super-bright setting.
