PRIVACY POLICY

PROTECTING YOUR PRIVACY IS IMPORTANT TO DANIMEX COMMUNICATION. WE STRIVE TO KEEP YOUR PERSONAL INFORMATION CONFIDENTIAL. PLEASE TAKE A MOMENT TO READ THE FOLLOWING POLICY TO LEARN HOW WE HANDLE YOUR PERSONAL INFORMATION.

Personal data

Danimex is handling personal data in accordance with the General Data Protection Regulation No. 2016/679, effective from May 25, 2018.

Why we collect personal information

Danimex Communication collects and uses your personal information to give you superior customer service, to provide you with convenient access to our products and services, and to make a wider range available to you. We do not use your information to send you information you have not requested. This includes not issuing newsletters or adverts via email without prior accept from you.

How we collect and protect personal information

When you place an order with Danimex we register your contact details such as email address, phone number, contact person, company name and address, delivery address. Your personal data are protected and will not be shared with anyone outside Danimex.

We will keep these data until 5 years after your last order. Thereafter your data will be deleted.

When using data processors, we require that they comply with applicable data protection regulation and we have entered into data processing agreements with them. Your data will only be used in order to fulfill agreements between you and Danimex.

You may at any time recall your data. You have a right to obtain more detailed information about the personal data kept, to have inaccurate data about you rectified and to have incomplete personal data completed. You also have a right to receive a copy of your data.

Collecting other personal information

Website

When you browse the website of Danimex Communication, you can do so anonymously. Generally, we do not collect personal information when you browse our website. Your browser, however, does automatically tell us the type of computer and operating system you are using. We use this information to optimize our website to work as effectively as possible on all browsers and operating systems.

Like many websites, the Danimex Communication website uses "cookie" technology. When you first connect to our site, the cookie identifies your browser with a unique, random number. The cookies we use do not reveal any personal information about you. Cookies help us understand which parts of our websites are the most popular, where our visitors are going, and how long they spend there. We use cookies to study traffic patterns on our site so we can make the site even better.

Danimex Communication's website contains links to other sites. Danimex Communication does not share your personal information with those websites and is not responsible for their privacy practices. We encourage you to learn about the privacy policies of those companies.

Email newsletters

If you choose to join our newsletter, your name, email address, company name and country will be stored in our newsletter database. You can always opt-out by using the unsubscribe link contained in any email newsletter that we send to you or by **requesting removal via email**. When requesting removal by email, please send us your email to us using the email account that is subscribed to the mailing list.

While your email address remains within our newsletter mailing list, you will receive periodic newsletter emails from us containing latest product announcements, industry news, event invitations and important announcements.

The Privacy Policy of Danimex Communication is subject to change at any time.
