- Wall Charger

• Power a Wide Range of Devices

Yeti 500X is equipped with four different port options—including AC, 12V, and 60W USB-C PD—to power everything from phones to portable fridges.

• High-Speed Charging Solution

Equipped with the latest charging technology, including a high-speed Power Delivery port capable of charging USB-C laptops, tablets, mirrorless cameras, and phones in a fraction of the time.

• Experience Unlimited Power

Charge the Yeti 500X from the sun with our portable solar panels while away from the grid and keep it topped off from a wall outlet when you're home. Featured MPPT charge controller ensures you're getting the most efficient solar charge possible.
